

# Workforce Management Clock™

## Paid Breaks

Configure and enforce employer break policies.

- ✓ **Are employees taking too many breaks?** Enforce break rules.
  - Easily configure your break policy
  - Track breaks with dedicated clock buttons
- ✓ **Are labor costs on the rise?** Set thresholds.
  - Limit the length of paid breaks
  - Pay only for authorized break time
- ✓ **Are you DOL compliant?** Automate rules.
  - Document employee breaks behavior
  - Set up paid breaks according to DOL requirements

**Workforce Management Clock – keeping you compliant and your employees happy by tracking paid and unpaid breaks, so you don't have to!**

Call us & get compliant
