

# The HR Support Center

Best-in-class tools to manage workplace compliance and employee relations issues

## Unparalleled HR Expertise Whenever You Need It

The HR Support Center provides access to exclusive, industry-leading HR tools and resources, for just a few dollars a month. From employee handbooks, job descriptions and other commonly used HR documents, to up-to-the-minute law alerts, easy-to-understand state and federal law libraries, and unique training videos, the HR Support Center will help you effectively manage your HR compliance and employee relations needs.

## HR Support Center Tools and Resources

Our cloud-based solution is available 24/7, and the exclusive content is created in-house by our team of certified HR Pros. Features include:

- Customizable employee handbook template
- Wide range of job descriptions
- Quick Guides and checklists on common HR topics, including Health Care Reform, Hiring, Termination, and more
- Extensive, easy-to-understand federal and state law libraries
- Exclusive Training On-Demand videos
- Custom-built HR podcasts
- 3-minute HR Audit to help quickly identify HR compliance gaps
- Weekly HR Snapshot emails featuring a Q&A on trending HR topics
- Timely HR Articles

**Our cloud-based solution is available 24/7**
